### PLEASE SHARE THE FOLLOWING WITH YOUR SPONSORS:

**Birthright focuses is on both mother and baby.**

Since 1971, Birthright of Rochester has offered free and confidential pregnancy support to any woman regardless of age, income or ethnicity. Understanding that each situation is unique, Birthright counselors offer women non-judgmental support in a safe environment. They then work to identify the local resources necessary to help clients meet their immediate needs and achieve their future goals. Follow-up continues during pregnancy and up to the baby's first birthday. Through our program, Birthright clients focus on growth through positive change, building a better life for their newborns and themselves.

Birthright provides maternity clothes and childbirth classes. They host support luncheons to share pertinent information, provide a forum for discussion and encourage networking with other mothers. Birthright's Brightspot program provides clothing as the baby grows and affords emergency formula and diapers. Emphasizing accessibility, Birthright has multiple locations throughout the greater Rochester area and a 24 hour hotline, so that assistance is always only a phone call away.
